**COVID-19
CORONAVIRUS**

Exposure to COVID-19 is an inherent risk in any public location where people are present; we cannot guarantee you will not be exposed during your visit.

Please note the CDC advises that older adults and people of any age who have serious underlying medical conditions might be at higher risk for severe illness from COVID-19. Participants should evaluate their risk in determining whether to attend. People who show no symptoms can spread COVID-19 if they are infected, any interaction with the general public poses an elevated risk of being exposed to COVID-19, and we cannot guarantee that you will not be exposed during your visit.

By visiting the seminar, you voluntarily assume all risks associated with exposure to COVID-19.

We appreciate your cooperation during this unprecedented time. Visit the Pennsylvania Department of Health and CDC websites for the latest guidelines.

Frequently Asked Questions (FAQ)
Pennsylvania Amusement Ride Safety Seminar - Red Lion Hotel & Conference Center Harrisburg, PA

What is different about this safety seminar?

This seminar series is designed to offer specialized presentations covering various amusement rides and devices regulated under the Pennsylvania Amusement Ride Safety Act and the New Jersey Carnival and Amusement Rides Safety Act .

Is the Pennsylvania Amusement Ride Safety Seminar Approved?

YES! Presentations are approved by the Pennsylvania Department of Agriculture, Ride and Measurement Standards for all license categories, new applicants and license renewals.

Is the training accepted for the New Jersey RCMT program?

YES! Training approved by the Pennsylvania Department of Agriculture is also accepted by the New Jersey Department of Community Affairs for the Recognized Certified Maintenance Technician (RCMT) program.

Is any testing offered at the Seminar?

YES! The Pennsylvania Department of Agriculture is scheduled to offer tests for all license classifications.

Is the seminar good for my PA Amusement Ride Inspector renewal?

YES! Satisfactory completion of this seminar will fulfill the minimum continuing education requirements set forth by the Pennsylvania Department of Agriculture - Ride & Measurement Standards. Please note that attendance at two or more seminars is required for General Qualified Inspector license holders.

Is it good for new applicants as well?

YES! Satisfactory completion of this seminar will fulfill the minimum education requirement set forth by the Pennsylvania Department of Agriculture - Ride & Measurement Standards for Affiliated Qualified Inspectors,

Will COVID-19 affect the seminar format or timing?

We continue to monitor the latest information available from the Pennsylvania Department of Health and the CDC. The format or venue may change based on the current available guidance. The availability of certain programs or tracks may be limited. We reserve the right to assign seating and limit attendance in classrooms and at the program to comply with current guidelines. The seminar programs may be limited, adjusted, rescheduled, or postponed to a later date. Content may be delivered via digital or virtual platforms.

Who are the presenters?

The volunteer presenters are recognized industry professionals, leaders, regulators, owner-operators, suppliers, manufacturers, and experts in various aspects of amusement, entertainment, and public event safety. The presenters represent a wide variety of viewpoints, not just the views of any one particular organization or entity.

What about inflatable amusement rides?

The seminar series offers a two-day Inflatable program at both the November and February Seminars.

What if I am a rental company or FEC with inflatables plus other rides covered by the act?

The inflatable presentation may be combined with other presentations to meet your individual license requirement.

What about zip lines, ropes courses, obstacle courses, trampoline parks & climbing walls?

Presentations are typically offered for extreme sports covering the various aspects of zip lines, challenge courses, ropes course, climbing walls, trampoline courts, belay systems and mechanical bulls.

What about portable rides and carnivals?

Presentations are offered covering the various aspects of portable ride inspection, maintenance and operations.

What about haunted attractions and escape rooms?

The walk through attractions program continues to offer a variety of class room presentations unique to operators of Special Amusement Buildings..

What about Agritourism, Campgrounds, Camps and Hayrides?

The Walk Through Attractions program, Inflatables program and Trackless Attractions program offer a variety of class room presentations for operators of Agritourism destinations, campgrounds, summer camps and operators of Hayride Attractions..

Frequently Asked Questions (FAQ)
Pennsylvania Amusement Ride Safety Seminar - Red Lion Hotel & Conference Center Harrisburg, PA

What about FEC's?

Presentations topics may include Go Karts, Climbing Walls, Harnessed Trampolines, Trampoline Courts, Haunted Houses, Inflatable Rides, Challenge Courses, Escape Rooms, Simulators, Kiddie Rides & Amusement Rides.

What about water parks?

The spring program continues to offer a variety of topics unique to the water attractions industry.

What about amusement parks?

Presentations cover a wide range of topics for amusement park operators.

How do I sign up?

Register online at <http://www.paridesafety.com> early! Registrations received after the advance registration date will be charged a late registration fee. Registrations may be accepted at the door however an additional late registration fee will apply.

Is there a limit to the number of students that can attend?

Because of the multiple presentation format both the Fall and Spring seminar can easily accommodate up to 600 attendees each. Capacity, health or governmental restrictions may impact the number of attendees that can attend a program or course offering.

What about food?

Lunch will be provided daily. Lunch will be prepared under the direction of the Red Lion Resort executive chef.

Where can I stay?

Red Lion Hotel & Conference Center - Harrisburg/Hershey 4751 Lindle Rd, Harrisburg, PA 17111

Phone: (717) 939-7841 Web Site for Reservations: <http://www.paridesafety.com>

Is it worthwhile to attend?

Ask any of the approximately 500 industry professionals that participated in the either the Spring or Fall program. A preliminary review of the individual surveys indicate that the presentation content was very well received.

Who do I call if I have any other questions?

Seminar Questions: Phil Slaggert cell phone: (561) 758-3266 -or- email at: phil@paridesafety.com
Bureau Questions: Joe Filoromo office phone: (717) 215-4316 -or- email at: jfiloromo@pa.gov

Seminar Information
Pennsylvania Amusement Ride Safety Seminar - Red Lion Hotel & Conference Center Harrisburg, PA

- Schedule:** Generally, it is the policy of the Pennsylvania Amusement Ride Safety Seminar that seminar participants are free to chose the presentations or track that is the most beneficial for your career path, job description, abilities, and employer benefit. It is the sole responsibility of the participants to ensure they are taking the presentations or tracks that are appropriate for their unique situation.
- Requirements:** The Pennsylvania Department of Agriculture, Bureau of Ride and Measurement Standards, Amusement Ride Division has approved this seminar for new and renewal amusement ride inspector license holders. It is your responsibility to ensure that: you create a schedule of presentations or tracks that best suits your needs, meets the departments requirements, all forms are properly filled out, attendance sheets are filled out, attendance is recorded, required paperwork is turned in at the end of the seminar, and the requirements of your particular license are met. The department requires the following approved training for new applicants and renewal licensees:
- Qualified Inspectors
- | | |
|--|--|
| Affiliated Qualified Inspector | Minimum of <u>24 hours</u> of presentations. |
| Limited Affiliated Qualified Inspector | Minimum of <u>16 hours</u> of presentations. |
| General Qualified Inspector | Minimum of <u>48 hours</u> of presentations. |
- **Consideration for in-house training programs may be granted by the Pennsylvania Department of Agriculture upon written application to the department. Please contact the Bureau of Ride and Measurement Standards Amusement Ride Division for more information.
- Limited Programs:** Limited Affiliated license programs are available for the following equipment types: Inflatables Rides only, Water Slides and Water Attractions Only, Walk Through Attractions (Includes Haunted Attractions) Only, Go Karts & Bumper Boats Only, Extreme Sports (Climbing Walls, Zip Lines, Mechanical Bulls & Trampolines) Only, Trackless Towed Attractions (Hayrides) Only. Course offerings are limited at the Fall program. Please consider the spring program for additional course offerings.
- Participants:** Registration is open to all amusement industry professionals. Examples include: Pennsylvania amusement ride inspectors, new license applicants, New Jersey RCMT license holders, out of state jurisdictional inspectors, private inspectors, maintenance personnel, supervisors, manufacturers, operators, owners, suppliers, event staff, public safety officials, and other amusement industry professionals. Participation by out of state amusement industry professionals and public safety officials is encouraged and welcome. The seminar staff reserves the right to refuse admittance to any person or group, without cause or notice, by refunding the advance registration fee.
- Cell Phones:** Please turn off or put on vibrate all cell phones, pagers, PDA's, watch alarms, laptops, tablets & text messaging devices during meetings and presentations.
- Smoking:** Smoking is not permitted anywhere inside the Red Lion Hotel guest rooms, classrooms, hallways or public areas.
- Alcohol:** The possession or consumption of alcoholic beverages is not permitted during presentations.
- Special Needs:** Participants who have disabilities as defined by the American Disabilities Act that prevent participation in the standard presentation process should inform the seminar staff when they register for the seminar, no less than thirty (30) days prior to the commencement of the seminar. When registering, please provide a brief written identification of the impairing condition and a request for specific adjustments to the usual presentation process. This information will be used solely to assist with the necessary accommodations, but be kept confidential otherwise.
- Registration:** The registration period for the seminar begins at least 60 days prior to the scheduled seminar. Please register in advance by the due date. Payment must accompany your registration. Registrations received late or registration the day of the seminar will be charged the appropriate fee. Prepaid registration fees are non-refundable.
- Refunds:** Payment is due upon registration for the program and is non-refundable. The seminar may at its sole discretion extend a credit to attend the next regularly scheduled program. Any credits issued expire one year from the original program date.
- Cancellation:** We reserve the right to cancel, change, or modify any program, format, or venue, due to low enrollment, government action, health emergency or any other circumstance which would otherwise make the program non-viable. In the event of cancellation, the seminar may at its sole discretion extend a credit to attend the next regularly scheduled program. Any credits issued expire one year from the original program date. Prepaid registration fees are non-refundable.

Seminar Information

Pennsylvania Amusement Ride Safety Seminar - Red Lion Hotel & Conference Center Harrisburg, PA

- Records:** A Certificate of Attendance will be issued upon successful completion of the program. The seminar retains registration, certificate, and attendance records for one year from the original program date.
- Hours:** Generally, presentations start promptly at 7:45am each morning. Presentations end at 6:00pm.
- Clothing:** During the seminars, some hands-on presentations may be held outdoors. The seminars are typically held in November and February/March when the weather is still unpredictable. Participants are encouraged to wear warm comfortable clothing and bring the appropriate footwear, coats, jackets, hats and gloves. Temperatures can vary greatly. Rain & snow conditions are possible.
- CEU'S:** For those participants that successfully complete their individual training requirement, Continuing Education Credits (CEU's) may be available. A CEU certificate may be required for continuing education credit by various industry certification agencies, employers, and colleges. *It is the sole responsibility of the participant to ensure that proper application is made and the curriculum is approved by the various agencies, employers, colleges, etc. that require verification of continuing education (CEU's).*
- Testing:** Testing by outside entities such as The Pennsylvania Department of Agriculture, ACCT, NWSA, PARTS, HHA, IATP, TAAG, AIMS and ROAR, may be offered to seminar participants. These programs are offered as a service to seminar participants. Please contact the testing entity directly for more information concerning their particular program requirements. Any additional fees for testing are due at the time of testing and are to be paid directly to the testing entity.
- Admittance** The seminar staff reserves the right to refuse admittance and/or remove from the premises any person, organization, association or group, for any reason, with or without cause. In the event a participant is refused admittance or removed from the premises, all fees shall be forfeited, credit for participation will be denied, and a formal complaint shall be filed with The Pennsylvania Department of Agriculture, Bureau of Ride and Measurement Standards, Amusement Ride Division and/or the New Jersey Department of Community Affairs, Amusement Ride Safety Unit.
- Program:** The Pennsylvania Amusement Ride Safety Seminar is a fundamental attendance-based program offered without additional validation. The program is designed to meet the minimum requirements set forth by the Pennsylvania Department of Agriculture and New Jersey Department of Community Affairs. Participants are encouraged to seek additional sources of credible information pertinent to their unique amusement rides, devices, attractions, and operations. It is the sole responsibility of the Owner/Operator of any amusement ride, device or attraction to ensure their staff is adequately trained with the most up to date information available. Content may be delivered via digital or virtual platforms.
- Disclaimer:** The Pennsylvania Amusement Ride Safety Seminar is designed as a unique forum to exchange information relevant to the amusement industry. The information and opinions provided and material distributed by a presenter are exclusively those of the presenter. The Pennsylvania Department of Agriculture (PDA), The Pennsylvania Fall Amusement Ride Safety Seminar, The Pennsylvania Spring Amusement Ride Safety Seminar, & Mobile Midway Safety Institute, llc (MMSI), their directors, officers, representatives, employees, heirs or successors do not in any way endorse, guarantee, validate or warrant any such information, opinions, or material provided by a presenter. The Pennsylvania Department of Agriculture (PDA), Pennsylvania Fall Amusement Ride Safety Seminar, Pennsylvania Spring Amusement Ride Safety Seminar, & Mobile Midway Safety Institute, llc (MMSI) their directors, officers, representatives, employees, volunteers, heirs or successors expressly disclaims any liability whatsoever for use or reliance on such information, opinions, or materials.
- Information is for reference only.
 - Neither presenters, staff nor the Seminar, by providing information, renders legal advice of any sort.
 - If legal or expert assistance is required, the services of a competent professional should be sought.
 - No representations are made as to the completeness, applicability, or accuracy of any information.
 - Both the presenters and the Seminar hereby expressly exclude all warranties and disclaim any liability for any errors or omissions.
 - You should verify that any authority mentioned remains in effect and has not been overruled, modified, or amended.
 - Unless otherwise expressly indicated, any tax advice is not intended, and may not be used to (1) avoid tax penalties, or (2) promote any transaction or other matter to another party.

Seminar Information

Pennsylvania Amusement Ride Safety Seminar - Red Lion Hotel & Conference Center Harrisburg, PA

Antitrust: It is the policy of the association that the Pennsylvania Spring Amusement Ride Safety Seminar & the Pennsylvania Fall Amusement Ride Safety Seminar complies strictly with the letter and spirit of all federal and state antitrust laws rules and regulations applicable in any jurisdiction in which the association or its members do business. Any activities of the association or association-related actions of its staff, officers, directors, or members that violate these regulations and laws are detrimental to the interests of the association and are unequivocally contrary to association policy. As such, all directors, officers, committee members, employees, and staff will be advised of the areas of concern to the Pennsylvania Fall Amusement Ride Safety Seminar & Pennsylvania Spring Amusement Ride Safety Seminar and are responsible for understanding and monitoring adherence to the antitrust policy.

This policy applies both to activities within the Pennsylvania Fall Amusement Ride Safety Seminar & Pennsylvania Spring Amusement Ride Safety Seminar and to any joint activities that involve the Pennsylvania Fall Amusement Ride Safety Seminar & Pennsylvania Spring Amusement Ride Safety Seminar with other entities, associations, organizations, and persons. However the policy is necessarily general and cannot anticipate every issue that may emerge. Therefore it is very important that the Pennsylvania Fall Amusement Ride Safety Seminar & Pennsylvania Spring Amusement Ride Safety Seminar employees, officers, directors, and members consult with legal counsel whenever questions or issues arise concerning application of this policy and the antitrust laws in general.

Implementation of the antitrust compliance policy of the Pennsylvania Fall Amusement Ride Safety Seminar and Pennsylvania Spring Amusement Ride Safety Seminar shall include, but not be limited to, the following:

1. The association membership, Board of Directors, and all other committee meetings shall be conducted consistent with this policy and pursuant to agendas distributed to attendees; discussions shall be limited to agenda items and minutes of all meetings shall be kept and distributed to attendees promptly.
2. All association activities or discussions shall be avoided which might be construed as tending to: (a) address fees; (b) regulate production; (c) allocate markets; (d) encourage boycotts; (e) foster unfair trade practices; (f) assist in monopolization or in any way violate applicable regulations and antitrust laws in any jurisdiction.
3. No officer, director, or member of the association shall make any representation in public or in private, orally or in writing, which states or appears to state an official policy or position of the association without specific authorization to do so.

Presentations

Pennsylvania Amusement Ride Safety Seminar - Red Lion Hotel & Conference Center Harrisburg, PA

Audio/Video Recording: As part of our continuing education effort, presentation(s) may be

- Recorded, used or distributed by the Pennsylvania Amusement Ride Safety Seminar. Presentation(s), including each speaker's portion, may be made available as an audio or video recording, course book, transcript, webcast, or other format.
- Recorded and used for the convenience of attendees in the future unless the speaker notifies the seminar program coordinator in writing that they do not want their presentation recorded. Notification must be sent at least four weeks prior to the scheduled presentation; and the speaker should receive written acknowledgment from the Pennsylvania Amusement Ride Safety Seminar that the request has been received. Speakers hereby waive all rights to monetary compensation as a condition of recording, publishing, or reproducing their presentation and course related materials.

The Pennsylvania Amusement Ride Safety Seminar does not encourage nor discourage participants from making Audio/Video recordings for their own purposes.
